New Features:

-Payment method was implemented to the web but not fully functional yet and not final design.

-The revisions on the reservation page was fixed but it's not yet fully done.

Each team member's contributions:

Karil, Jaslim T. - Made the menu page, login page and it's overall UI design and made it functional.

Ignacio, Rod Angelo Benedict V. - Made the Reservation page with it's functionality.

Sali, Ahmad Waqein J. - Made the About page and payment method and made it functional.

Anacleto, John Erick C. - Made the contact us page and made it functional.
